ShiftSmart Mobile Application

User Story Document

Total Use Cases: 137

Project Overview

- ShiftSmart is a mobile application used to manage employee shifts and attendance.
- Employees and managers use the same login system.
- Employees record their working time, apply leave, and communicate with managers.
- Managers manage companies, sites, projects, jobs, shifts, and employees.
- User registration must be approved from the admin side before login access is granted.
- Location tracking is used for attendance and shift verification.

User Roles

- Employee
- Manager

AUTHENTICATION

11 Use Cases

UC-C01	Login to the App		
User Story	As a user I want to log in using my email and password so that I can access the mobile application.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Email & password fields present • Successful login redirects by role • Error shown for wrong credentials		

UC-C02	Automatic Session Check		
User Story	As a user I want the app to check my previous login session so that I do not need to log in again every time.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Token/session checked on app launch • Redirects to correct dashboard if valid • Shows login screen if expired		

UC-C03	Biometric Login		
User Story	As a user I want to use Face ID or fingerprint login so that I can sign in quickly and securely.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Biometric prompt appears on supported devices • Uses saved credentials • Fallback to password available		

UC-C04	Enable Biometric Login		
User Story	As a user I want to enable biometric login after signing in so that future logins are easier.	**Priority**	**Medium**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• App asks permission before saving biometric preference • Preference stored in shared preferences		

UC-C05	Disable Biometric Login		
User Story	As a user I want to disable biometric login so that my account requires password login again.	Priority	Medium
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• Option available in settings • Biometric preference cleared		

UC-C06	Forgot Password		
User Story	As a user I want to reset my password so that I can recover access if I forget it.	Priority	High
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• Password reset option visible on login screen		

UC-C07	Create New Password		
User Story	As a user I want to create a new password so that I can log in again after resetting my account.	Priority	High
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• New password and confirm password fields present • Password updated successfully		

UC-C09	Change Password		
User Story	As a user I want to change my password from settings so that I can keep my account secure.	Priority	Medium
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• Old and new password fields present • Password updated successfully		

UC-C10	Logout		
User Story	As a user I want to log out so that my account is not accessible from the device.	Priority	High
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• Session cleared on logout • Biometric preference preserved		

	• Returns to login screen

UC-C11	Role-Based Redirect		
User Story	As a logged-in user I want to be redirected to the correct dashboard based on my role.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Employee redirects to Employee dashboard • Manager/Admin redirects to Manager dashboard		

PROFILE & SETTINGS

6 Use Cases

UC-P01	View Own Profile		
User Story	As a user I want to view my profile so that I can confirm my personal information.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Profile screen accessible from nav • All fields displayed correctly		

UC-P02	Update Own Profile		
User Story	As a user I want to update my profile details so that my information stays correct.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Name, contact, address, and other fields editable • Changes saved successfully		

UC-P03	Upload Profile Image		
User Story	As a user I want to upload a profile image so that other users can identify me easily.	**Priority**	**Medium**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Camera / gallery picker available • Avatar updated and visible		

UC-P04	View Profile Header in Side Menu		
User Story	As a user I want to see my profile summary in the side menu so that I know which account is active.	**Priority**	**Medium**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Profile header shows name, role, and avatar		

UC-P05	Refresh Profile from Backend		
User Story	As a user I want my profile to refresh from the backend so that the app shows the latest information.	**Priority**	**Medium**

Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Profile refreshed on side nav open		

UC-P06	**Open Settings**		
User Story	As a user I want to open settings so that I can manage my account and app preferences.	**Priority**	**Medium**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Settings screen accessible from side menu • Changes saved		

NOTIFICATIONS

9 Use Cases

UC-N01	Receive Push Notifications		
User Story	As a user I want to receive push notifications so that I am informed even when the app is closed.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• FCM token registered on login • APNs token registered on iOS • Background message handler active		

UC-N02	View Notifications		
User Story	As a user I want to view notifications so that I can see important updates in one place.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Unread and read notifications listed • Notifications screen accessible from nav		

UC-N03	Mark Notification as Read		
User Story	As a user I want to mark notifications as read so that I can separate new updates from old ones.	**Priority**	**Medium**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Mark-as-read action updates status • Notification list refreshes		

UC-N04	Open Notification Details		
User Story	As a user I want to tap a notification and open the related screen so that I can act quickly.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Notification payload routes to correct screen		

UC-N05	Receive Emergency Alert (Manager)		
User Story	As a manager I want to receive emergency alerts from employees so that I can respond quickly.	**Priority**	**High**

Actor	Manager	**Status**	**Planned**
Acceptance Criteria	• Emergency clock-out triggers manager notification		

UC-N06	**Receive Leave Decision Notification**		
User Story	As an employee I want to receive a notification when my leave is approved or rejected.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Push notification sent on leave status update		

UC-N07	**Receive Shift Notification**		
User Story	As an employee I want to receive a notification when assigned to a shift.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Push notification sent on shift assignment		

UC-N08	**Shift Completion Notification to Manager**		
User Story	As an employee I want my manager to be notified when I complete a shift.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Notification sent to manager on shift completion		

UC-N09	**Send Leave Request Notification to Manager**		
User Story	As an employee I want my manager to receive a notification when I submit a leave request.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Notification sent to manager on leave submission		

CHAT

5 Use Cases

UC-CH01	View Chat List		
User Story	As a user I want to view my chat conversations so that I can continue communication.	Priority	High
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• Chat list fetched and displayed		

UC-CH02	Search User for Chat		
User Story	As a user I want to search for another user so that I can start a new conversation.	Priority	Medium
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• Search returns matching employees/managers		

UC-CH03	Create New Chat		
User Story	As a user I want to create a new chat so that I can message someone I have not chatted with before.	Priority	Medium
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• New chat created and opens chat box		

UC-CH04	Send Chat Message		
User Story	As a user I want to send messages so that I can discuss work updates.	Priority	High
Actor	Employee / Manager	Status	Planned
Acceptance Criteria	• Message delivered and visible to recipient • Chat history preserved		

UC-CH05	View Chat History		
User Story	As a user I want to view old messages so that I can understand past conversations.	Priority	High
Actor	Employee / Manager	Status	Planned

Acceptance Criteria	• Messages fetched by participant ID

FILES & MEDIA

3 Use Cases

UC-F01	Upload File		
User Story	As a user I want to upload files so that I can attach documents when required.	**Priority**	**High**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• File picker opens • File uploaded successfully via multipart API		

UC-F02	Preview Uploaded Media		
User Story	As a user I want to preview uploaded images or files so that I know I selected the correct document.	**Priority**	**Medium**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Media viewer screen shows image/file preview		

UC-F03	Open Uploaded Document		
User Story	As a user I want to open a document so that I can check what I submitted.	**Priority**	**Low**
Actor	Employee / Manager	**Status**	**Planned**
Acceptance Criteria	• Document opens in media viewer		

EMPLOYEE – DASHBOARD & SHIFTS

11 Use Cases

UC-E01	View Employee Dashboard		
User Story	As an employee I want to view my dashboard so that I can quickly access my work information.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Bottom nav: Home, Shifts, Chat, Leave • Today's shift visible on home		

UC-E02	View Assigned Shifts		
User Story	As an employee I want to view my assigned shifts so that I know when I need to work.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Shift list with date, time, site, job shown • Past and upcoming shifts separated		

UC-E03	View Shift Details		
User Story	As an employee I want to open a shift so that I can see full details like time, site, job, and status.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Job, site, time, status visible		

UC-E04	Accept Shift		
User Story	As an employee I want to accept a shift so that my manager knows I am available.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Accept action saved • Manager notified		

UC-E05	Reject Shift		
User Story	As an employee I want to reject a shift so that my manager knows I cannot attend.	**Priority**	**High**

Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Reject action saved • Manager notified for reassignment		

UC-E06	**Request Shift Swap**		
User Story	As an employee I want to request a shift swap so that another employee may cover my shift.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Swap request submitted • Manager receives notification		

UC-E07	**View Job Linked to Shift**		
User Story	As an employee I want to view the job linked to my shift so that I understand my work responsibility.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Job details accessible from shift screen		

UC-E08	**View Job Role**		
User Story	As an employee I want to see my job role so that I know what task I am responsible for.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Job role displayed on shift / job detail screen		

UC-E09	**View Site Location**		
User Story	As an employee I want to view the work site location so that I can travel to the correct place.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Map opens with site pin • Directions available		

UC-E10	**View Shift Progress**

User Story	As an employee I want to see shift progress status (pending / active / completed).	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Status badge visible on shift card		

UC-E11	**Complete Shift**		
User Story	As an employee I want to mark my shift as completed so that the system shows the work as finished.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Complete button available after clock-out • Status updated		

EMPLOYEE – ATTENDANCE

10 Use Cases

UC-E12	Clock In		
User Story	As an employee I want to clock in when I start work so that my attendance is recorded.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Clock-in button visible at shift start • Time saved correctly		

UC-E13	Clock In with Location		
User Story	As an employee I want my location to be captured during clock-in so that the company can verify I am at the correct site.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• GPS coordinates captured and sent to backend		

UC-E14	Clock In with Photo		
User Story	As an employee I want to upload a photo during clock-in so that attendance can be verified visually.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Camera / gallery picker opens • Photo uploaded via multipart API		

UC-E15	Start Break		
User Story	As an employee I want to start my break so that break time is tracked.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Break start button functional • Break start time saved		

UC-E16	End Break		
User Story	As an employee I want to end my break so that my active working time continues.	**Priority**	**High**

Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Break end button functional • Break duration calculated		

UC-E17	**Clock Out**		
User Story	As an employee I want to clock out when my work ends so that my shift completion time is recorded.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Clock-out time saved • Manager notified		

UC-E18	**Clock Out with Photo**		
User Story	As an employee I want to upload a photo during clock-out so that my manager can verify shift completion.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Photo captured and uploaded • Linked to attendance record		

UC-E19	**Clock Out with Reason (Early)**		
User Story	As an employee I want to add a reason when clocking out early so that the manager knows why I ended my shift early.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Reason field mandatory for early clock-out • Reason sent to backend		

UC-E20	**Emergency Clock Out**		
User Story	As an employee I want to emergency clock out so that I can leave a shift safely in urgent situations.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Emergency clock-out button available • Manager receives emergency notification		

UC-E21	**Send Emergency Notification**

User Story	As an employee I want to send an emergency alert so that my manager is informed quickly.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Emergency alert sent to manager immediately		

EMPLOYEE – LEAVE

6 Use Cases

UC-E22	View Leave Balance		
User Story	As an employee I want to view my leave balance so that I know how many leave days I have.	Priority	Medium
Actor	Employee	Status	Planned
Acceptance Criteria	• Balance shown on leave screen		

UC-E23	Create Leave Request		
User Story	As an employee I want to submit a leave request so that I can ask for time off.	Priority	High
Actor	Employee	Status	Planned
Acceptance Criteria	• Leave dates selected • Request submitted • Manager notified		

UC-E24	View My Leave Requests		
User Story	As an employee I want to view my submitted leave requests so that I can track their progress.	Priority	High
Actor	Employee	Status	Planned
Acceptance Criteria	• Leave list with status (pending/approved/rejected/cancelled) displayed		

UC-E25	Cancel Leave Request		
User Story	As an employee I want to cancel a leave request so that I can remove a request I no longer need.	Priority	Medium
Actor	Employee	Status	Planned
Acceptance Criteria	• Cancel option on pending requests • Request removed from active list		

UC-E26	Receive Leave Approval Notification		
User Story	As an employee I want to receive a notification when my leave is approved so that I know I can take leave.	Priority	High

Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Push notification sent on approval		

UC-E27	**Receive Leave Rejection Notification**		
User Story	As an employee I want to receive a notification when my leave is rejected so that I can adjust my plans.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Push notification sent on rejection		

EMPLOYEE – DOCUMENTS & CERTIFICATES

4 Use Cases

UC-E28	View Certificates		
User Story	As an employee I want to view my certificates so that I know what qualification documents are saved.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Certificate list fetched and displayed		

UC-E29	Upload Certificate		
User Story	As an employee I want to upload a certificate so that my qualifications can be verified.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• File picker opens • Certificate saved to backend		

UC-E30	Update Certificate		
User Story	As an employee I want to replace or update a certificate so that expired documents can be corrected.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Update flow available • New file replaces old		

UC-E31	View Uploaded Document		
User Story	As an employee I want to open a document so that I can check what I submitted.	**Priority**	**Low**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Document opens in media viewer		

EMPLOYEE – ONBOARDING

8 Use Cases

UC-E32	Complete Onboarding		
User Story	As a new employee I want to complete onboarding so that I can become an active employee.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Multi-step onboarding screens present • Submission accepted by API		

UC-E33	Fetch Invitation by Email		
User Story	As a new employee I want the app to find my invitation using my email so that I can begin onboarding.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Invitation fetched by email • Pre-filled where possible		

UC-E34	Submit Personal Information		
User Story	As a new employee I want to submit my personal details so that my employee profile can be created.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Name, contact, address fields submitted successfully		

UC-E35	Submit Bank Details		
User Story	As a new employee I want to submit bank details so that salary/payment information can be stored.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Bank detail fields available • Data saved correctly		

UC-E36	Lookup Bank Using BSB		
User Story	As a new employee I want the app to look up my bank using BSB so that I know the bank details are correct.	**Priority**	**Medium**

Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• BSB entered, bank name auto-filled		

UC-E37	**Upload Identity Documents**		
User Story	As a new employee I want to upload identity documents so that my onboarding can be verified.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• ID document upload present • Multipart submission works		

UC-E38	**Resubmit Rejected Onboarding Data**		
User Story	As an employee I want to resubmit rejected information so that my onboarding can be approved.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Rejected fields highlighted • Resubmission accepted by API		

UC-E39	**Submit Profile Photo During Onboarding**		
User Story	As a new employee I want to upload a profile photo during onboarding so that my employee profile is complete.	**Priority**	**High**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Image picker available during onboarding • Photo uploaded successfully		

EMPLOYEE – EMERGENCY & CONTACTS

3 Use Cases

UC-E40	Add Emergency Contact		
User Story	As an employee I want to add emergency contact details so that the company can contact someone if needed.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Emergency contact form saves correctly		

UC-E41	Update Emergency Contact		
User Story	As an employee I want to update emergency contact details so that the information remains current.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Existing contact fields editable and saved		

UC-E42	Call Emergency Contact		
User Story	As an employee I want to call an emergency contact from the app so that I can quickly get help.	**Priority**	**Medium**
Actor	Employee	**Status**	**Planned**
Acceptance Criteria	• Phone link opens device dialler		

MANAGER – DASHBOARD & COMPANY

5 Use Cases

UC-M01	View Manager Dashboard		
User Story	As a manager/admin I want to view a dashboard so that I can monitor workforce activity.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Summary of projects, jobs, shifts, employees shown • Quick-action navigation available		

UC-M02	View Companies		
User Story	As a manager/admin I want to view companies so that I can manage business entities.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Company list displayed		

UC-M03	Create Company		
User Story	As a manager/admin I want to create a company so that projects can be linked to the correct organization.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Company name and details saved • Company visible in list		

UC-M04	Edit Company		
User Story	As a manager/admin I want to edit company details so that company information remains correct.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Existing fields editable • Update saved		

UC-M05	Delete Company		
User Story	As a manager/admin I want to delete a company so that unused company records are removed.	**Priority**	**Low**

Actor	Manager / Admin	Status	Planned
Acceptance Criteria	• Confirmation prompt shown • Company removed		

MANAGER – SITES

5 Use Cases

UC-M06	View Sites		
User Story	As a manager/admin I want to view work sites so that I can manage physical locations.	**Priority**	Medium
Actor	Manager / Admin	**Status**	Planned
Acceptance Criteria	• All sites listed		

UC-M07	Create Site		
User Story	As a manager/admin I want to create a site so that work can be assigned to a location.	**Priority**	High
Actor	Manager / Admin	**Status**	Planned
Acceptance Criteria	• Site name, address, GPS saved • Linked to project		

UC-M08	Edit Site		
User Story	As a manager/admin I want to update site details so that employees go to the correct place.	**Priority**	Medium
Actor	Manager / Admin	**Status**	Planned
Acceptance Criteria	• Fields editable and saved		

UC-M09	Delete Site		
User Story	As a manager/admin I want to delete unused sites so that old locations are removed.	**Priority**	Low
Actor	Manager / Admin	**Status**	Planned
Acceptance Criteria	• Confirmation shown • Site removed		

UC-M10	View Employees Assigned to Site		
User Story	As a manager/admin I want to see employees assigned to a site so that I know who is working there.	**Priority**	Medium
Actor	Manager / Admin	**Status**	Planned

Acceptance Criteria	• Employee list filtered by site

MANAGER – PROJECTS

6 Use Cases

UC-M11	View Projects		
User Story	As a manager/admin I want to view all projects so that I can manage company work.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Project list displayed		

UC-M12	Create Project		
User Story	As a manager/admin I want to create a project so that work can be grouped properly.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Project name, company, site, details saved		

UC-M13	Create Project in Steps		
User Story	As a manager/admin I want project creation to be step-by-step so that entering project details is easier.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Multi-step creation screens present		

UC-M14	Edit Project		
User Story	As a manager/admin I want to update project details so that project information stays accurate.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Fields editable and saved		

UC-M15	View Project Details		
User Story	As a manager/admin I want to open a project so that I can see related jobs and sites.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**

Acceptance Criteria	• Jobs and sites visible under project

UC-M16	**Delete Project**		
User Story	As a manager/admin I want to delete unused projects so that old records do not clutter the system.	**Priority**	**Low**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Confirmation shown • Project removed		

MANAGER – JOBS

9 Use Cases

UC-M17	View Jobs		
User Story	As a manager/admin I want to view jobs so that I can track active and completed work.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• All jobs listed with status		

UC-M18	Create Job		
User Story	As a manager/admin I want to create a job so that work can be assigned to employees.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Job details saved • Job visible in list		

UC-M19	Create Job with Image		
User Story	As a manager/admin I want to upload an image for a job so that employees can better understand the job.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Image uploaded via multipart API • Visible on job detail screen		

UC-M20	Edit Job		
User Story	As a manager/admin I want to edit job details so that job information stays current.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Job name, description, image, role editable and saved		

UC-M21	Complete Job		
User Story	As a manager/admin I want to mark a job as complete so that finished work is separated from active work.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**

Acceptance Criteria	• Complete action available • Status updated

UC-M22	Delete Job		
User Story	As a manager/admin I want to delete a job so that cancelled or incorrect jobs are removed.	**Priority**	**Low**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Confirmation shown • Job removed		

UC-M23	Create Job Role Type		
User Story	As a manager/admin I want to create job role types so that employee responsibilities are clear.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Role type saved and available when creating shifts		

UC-M24	Delete Job Role Type		
User Story	As a manager/admin I want to delete unused job role types so that role lists stay clean.	**Priority**	**Low**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Role type removed		

UC-M25	View Assigned Employees for Job		
User Story	As a manager/admin I want to see employees assigned to a job.	**Priority**	**Medium**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Employee list filtered by job		

MANAGER – SHIFTS

8 Use Cases

UC-M26	View Shifts		
User Story	As a manager/admin I want to view all shifts so that I can monitor schedules.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• All shifts listed with status		

UC-M27	Create Shift		
User Story	As a manager/admin I want to create a shift so that employees know when they need to work.	**Priority**	**High**
Actor	Manager / Admin	**Status**	**Planned**
Acceptance Criteria	• Shift date, time, job, site, employee saved • Visible to assigned employee		

UC-M28	Assign Employee to Shift		
User Story	As a manager/admin I want to assign an employee to a shift so that each shift has responsible workers.	**Priority**	**High**
